

The Culture & Leisure department Lidköping municipality

The culture & leisure department takes part of building a prosperous, healthy, creative and welcoming municipality for its inhabitants and visitors.

- 110 employees.
- 125 million SEK turnover.
- Includes:
 - Public library, Arts and Culture.
 - Sports facilities (arenas, soccerfields, swimming bath, icerinks...)
 - Museum.
 - Youth activities
 - Grants to sports and culture societies .

Office of sports and leisure

Provides the citizens of Lidköping with sports and lesiure facilities.

Lake Vänern Museum

Focused on nature, culture and the vast lake Vänern.

The exhibitions offer thrilling experiences comprising history as well as present times, castles, churches and power, ships and ship wrecks, fishing and agriculture, environment and climate, and last but not least, famous and unknown people from Lidköping.

The aquarium department has been rebuilt and enlarged and contains, among other things, a big aquarium of 20 cubic meters.

Many hands-on activities and experiments for both young and old.

Lake Vänern Museum a creative, interesting and entertaining meeting place!

Library, Arts and Culture.

- New organisation from 1/1 -17.
- Mainly the public library, the art gallery and culture.
- Aimed to produce an cost effective offering when it comes to all cultural activities. And to reach effects of synergy.
- Connected to the library development and a changing role of the public library.

The Public library

- Re-opened january 2013
- A venue for knowledge transfer, culture and democracy.
- Three library branches, one "books on wheel".
- Art gallery and an archive.

Youth departments

Support and facilities for children och youth activities.

Grants to sports and culture societies

Makes it possible.
